

COVID-19 HEALTH & SAFETY UPDATE: Arizona, Arkansas, and Washington State Pearson VUE Seating

Released: July 24, 2020

NBEO has been informed from Pearson VUE that the states of Arizona and Arkansas are moving to full or near full capacity for examinations scheduled August 3rd and beyond. Additionally, Washington (state) and Washington D.C. are targeted for full or near full capacity by August 10th. Pearson VUE indicates that they are following adjustments for increased capacity in their testing centers consistent with governmental guidance and allowances, and with appropriate health and safety measures in place.

NBEO will continue to keep you informed as we have additional information.

ADVANCING THE ASSESSMENT OF COMPETENCE®

About NBEO — Established in 1951, NBEO is an independent, non-governmental, non-profit organization whose examinations are universally accepted for optometric licensure in the United States and accepted internationally. NBEO's mission is to serve the public and profession of optometry by developing, administering, scoring, and reporting results of valid examinations that assess competence.
