

COVID-19 HEALTH & SAFETY UPDATE: Wyoming Pearson VUE Seating

Released: July 31, 2020

NBEO has been informed from Pearson VUE that the state of Wyoming is moving to full or near full capacity for examinations scheduled August 10th and beyond. Pearson VUE indicates that they are continuing to follow adjustments for increased capacity in their testing centers consistent with governmental guidance and allowances, and with appropriate health and safety measures in place.

NBEO will continue to keep you informed as we have additional information.

ADVANCING THE ASSESSMENT OF COMPETENCE®

About NBEO — Established in 1951, NBEO is an independent, non-governmental, non-profit organization whose examinations are universally accepted for optometric licensure in the United States and accepted internationally. NBEO's mission is to serve the public and profession of optometry by developing, administering, scoring, and reporting results of valid examinations that assess competence.
